## U.S. Coast Guard selects decision/analysis partners LLC for Mission-critical Logistics Project *\$5 million contract will support logistics transformation program*

**Fairfax, Va., July 9, 2008** – The U.S. Coast Guard announced that it has awarded decision/analysis partners LLC, a management consulting firm headquartered in Fairfax, Virginia, a \$5 million contract to assist its Logistics Transformation effort. The three-year contract calls for decision/analysis to continue its analytical support of the Logistics Transformation Program Integration Office (LTPIO). Under this project decision/analysis partners will provide:

- Logistics Requirements Development and Management.
- Risk Assessment and Change Management
- Marketing and Communications
- Infrastructure & Organization Base-lining/Realignment Analyses
- Business Case Analyses
- Facilitation

decision/analysis partners has provided technical expertise and management consulting services to U.S. Coast Guard leadership since 2005. This project will continue to be led by Dr. LaRoche, Director of decision/analysis partners' supply chain practice, and will include a team of experts from decision/analysis partners, and key staff from BearingPoint, Inc., a partner on the current LTPIO contract.

"Helping mission-critical organizations transform their logistics to meet today's demands and anticipate tomorrow's needs is a core strength of decision/analysis partners," said Peter LaRoche, "We look forward to working with the U.S. Coast Guard to ensure its continued ability to respond quickly and efficiently."
